# MATTIE J.T. STEPANEK 1990-2004

Mattie's call to holiness came at an early age, when, living in rural Maryland, Mattie began receiving what he called "messages" from God - messages he shaped into poetry and written works. These became the song of his heart and his purpose in life, and he encouraged others to find their *Heartsong* - the unique purpose given to each of us by God.

The Mattie J.T. Stepanek Guild invites you to ask the Holy Spirit to guide you in your own God-given purpose. Because Mattie's *Heartsongs* were given to him in his childhood and early teens, the Guild especially encourages children and teens to pray their way into a deeper relationship with God.
